Subject Line: Your Health Results Are In!

Your health, one tap away.

With the Marathon Health app, everything you need to manage your health is at your fingertips.

Review Your Medical Records
Ensure your health history is accurate and up to date. View lab results, past visits, and more—all in one place.

Message Your Provider
Have a health-related question? Use secure chat to talk directly with your care team.

Manage Your Medications
See your current prescriptions, request refills, and keep track of your medication schedule with ease.

Schedule Appointments
Book a visit with your Marathon Health provider anytime, anywhere. Choose in-person or virtual care based on your preference.

Check In On Your Mental Health
Access support tools and talk with licensed professionals about stress, anxiety, or anything on your mind.

Download the Marathon Health App Today
Take control of your health journey.
